

Message from the Chairperson

Bishnu Raj Poudel
Chairman
MPA /MA (TU)

“Education has become the basic human necessity and that is why everyone is keen to learn and educate themselves. Education equips a person with the knowledge necessary to face the challenges of life. Students are the foundation of society, the real wealth of the nation. Lincoln College is an educational institution affiliated to Tribhuvan University and NEB. Our aim is to develop students' ability and quality through educational environment. It is no use saying we are doing our best until you get succeed in doing what is necessary.

Our academic staffs are engaged in research that is transforming the nation in which we live.

We are fully prepared to face any challenges and shortcomings at present and for the future as well. Even in any educational crisis like Covid-19 made us aware to move further with new approaches. Considering these sorts of occurrences, we are prepared to place us to run Academic Program virtually and physically as well.

Looking forward to welcoming you at Lincoln College !

Message from the Principal

Prakash Sharma Ghimire
Principal
Mphil /MA/ B.ed.
English (TU)

“There is a global understanding that only through the right education human beings be made good citizens and a better order of society be built. Education implies cultivation of the mind to make life tolerable and the acquisition of skills for making it possible. Education for student is a life long process. We can fully ensure the academic success of our students since it is our duty to prepare them to be successful. Our goal is to develop students into independent learners. Lincoln College now, is a leading college among others. It allows you to broaden your horizon and professional network gaining critical skills for your future.

Lincoln College is located at a peaceful area, yet at the heart of Kathmandu, housed in an attractive building with a spacious playground, equipped with all the facilities that students need. We aim at providing quality and practical education. I hope students will never forget our college after their first visit.

Lets join and grow together !

THE COLLEGE...

Lincoln College is an advanced co-educational academic institution in the valley affiliated to NEB for +2 Science, Management, Education & Humanities streams and to Tribhuvan University for MBS, BBM, BBS (Management), BA (Humanities), with BSW and B.Ed.(Education) Programs. The college is established and promoted by leading academicians including dedicated experienced and professional Lectures, of TU, KU, PU and experts from abroad as well. Honoring the philosophy of Abraham Lincoln, the College was established in 1998 to spread the light of education. The College is conveniently located at the heart of Kathmandu. We are dedicated to providing quality education in the field of Technology, Management and Social Science.

AIMS AND OBJECTIVES

We believe that an educated and qualified citizenry is the backbone upon which the prosperity of a nation can bloom. With this realization, we aim to provide qualitative education to face the multifarious challenges in practical life in an ever-increasingly complex and competitive world. In other words, our mission is to produce the best brains in science, Computer Science, Management and Social Science. We are committed to imparting quality education at affordable fee. Besides, we want to lead in the society-based education, i.e. developing education materials & conducting seminars, trainings and workshops

We, as an aspiring pedagogic institution plan to have affiliation with other prestigious universities around the world. Thus we envision teachers and students exchange programs.

OUR PROGRAMS

MASTERS OF BUSINESS STUDIES (MBS-SEMESTER BASED)

The objective of the MBS program is to enable the students to work as competent managers and to meet the demand of higher level managers in organizations, particularly in the functional areas of management. Upon graduation, industry, entrepreneur, government and non-government sectors, within and outside the country, in areas like accounting, marketing, finance and general management. The teaching methodologies are based on lectures, group work and projects and presentations on free topics which is relevant to business social development.

BACHELOR OF BUSINESS MANAGEMENT (BBM-SEMESTER BASED)

Bachelor in Business Management (BBM) is one of the highly demanded Programmes offered by the Faculty of Management, Tribhuvan University. The Programme is designed to address national and international needs of management education with the aim of developing efficient and capable manpower for business, entrepreneur, government and social sectors. The course design ensures a greater degree of flexibility that allows incorporating latest development of theory and practice in management around the world. Semester-Based Program enables the students to be practical.

BBS PROGRAM

Bachelor of Business Studies (BBS 4 years) develops students into competent manager for any sector of organizations. BBS is based on multi-disciplinary, result based program that provides theoretical understanding. The students should have an opportunity to obtain a broad knowledge of the concepts and reality-based skills underlying the operation and management of organizations. The graduate should also have a variety of career opportunity in different sectors of business including entrepreneurship and create much needed jobs for others.

BA/BSW PROGRAM

Bachelor in Arts is the most loved program from the side of students and teachers as well. It aims at enhancing students conceptual and theoretical understanding and methodological skills of respective subjects. After the completion of this course, students will have possessed the theoretical knowledge and practical skills of recognized standard with which they can pursue their career in various sectors such as teaching, journalism, consultancy, social works, NGO, INGO and government organization services. At Lincoln, students perform well with different approach and develop themselves up to their fullest till the date; it is our pride to announce that almost all the students have managed their position in the respective field independently.

B.ED. PROGRAM

Lincoln College is one of the leading College in Kathmandu valley providing Education program in Bachelor Degree. This program is designed primarily for students who wish to progress to an academic Bachelors Degree in Education. It prepares trained teachers for teaching at secondary level of school education. All +2 graduates of any faculties are eligible for enrollment in this program. In collaboration with TU, and highly qualified lecturers and professors, our college prepares future teachers/professional practitioners in teaching that require a subject matters, knowledge, pedagogical knowledge and skills, and competence to implement the specific knowledge and skills in specific context of teaching.

+2 PROGRAM AT LINCOLN SECONDARY SCHOOL/COLLEGE

National Examination Board (NEB), Nepal, offers +2 programs in Science, Management, Humanities and Education. Lincoln Secondary School has established as a leading Secondary School in Kathmandu valley and Lincoln is recognized in Nepal as the best institution to create teaching and learning environment in different streams under the supervision of NEB.

After completion of these programs, the students will be competent to pursue their academic qualification on higher level. It helps the students to face the challenges and opportunities in modern era.
